**Internship Programme**  
**Italian International Nursery and Kindergarten**

**Basic information of our kindergarten:**

The **Italian International Nursery and Kindergarten**, a non-profit private international school, was founded in 2019 by **SAPIENTIA FOUNDATION** on its own premises at South Horizons, Ap Lei Chau. It is the first Italian School to open in Hong Kong.

It has a **direct partnership with Reggio Children**, the Italian institution that is the official owner of the **educational know-how**, known in Italy and worldwide as the "**Reggio Emilia Approach**".

The School has **two streams: English and Chinese**, plus Italian language and culture, and **Italian and English**, plus Chinese language and culture, both with half-day and whole-day options. In addition, to enrich and cultivate children's interests, the School organizes a wide range of **extra-curricular activities** and **weekend playgroups**.

Currently, pupils enrolled in the School are from Australia, Belgium, Canada, France, Hong Kong, Hungary, India, Italy, Pakistan, Mainland China, Mexico, Singapore, UK, and United States. Thus, the IIN&IIKG represents an excellent cultural exchange between Hong Kong and Italy and other countries.
